**HELP!** Witches, vampires and other creepy creatures have taken over The Times-Tribune pressroom for Halloween. However, the ghouls broke the printing press, and now the color is missing on this page. So, we are asking readers to finish what these monsters started. For a chance to have your colored page published, send it to: The Times-Tribune, Attn: Kevin O'Neill, 149 Penn Ave., Scranton, PA 18503.
